

Minutes of the Meeting of

THE JOINT INTELLIGENCE STUDY PUBLISHING BOARD

Room 3645, Navy Building
June 14, 1943

Present: Commander Bailey (Navy Representative),
Chairman.

Major Kountz (Army Representative)

25X1A9a

(OSS Representative).

Priority list: General Magruder and Colonel Braton agree that the OPD list drawn up in May is not satisfactory in that it includes areas now occupied by allied forces over which are not anticipated as subject to future operations. A new letter will be sent to OPD requesting an up-to-date priority list of studies which is to be checked with the Future War Plans Section of the Navy and the Joint War Plans Committee.

The Board met later with Lieutenant Colonel Sturdevant, P-3, ONI: He has certain recommendations to make regarding the Outline Guide. The Board recommended forwarding of all these through official channels. Colonel Sturdevant is ready to assign a secretary whenever the Board is ready.

P-3 is now working on SPANISH MOROCCO, GREECE, and GUAM. The respective completion dates are July 1, July 5, and July 25. This section has recently completed studies on the BALEARIC Islands and on Northern ITALY. Southern ITALY is also completed excepting beach descriptions which are being done by the Beach Erosion Board.

Respectfully submitted,
